

## The Worm In Adam's Apple, 2005, Lyle A. McDaniel, Grapevine Connection, 2005

This book is basically about all flags and their meanings to us and why we should observe their message for the well-being of all. In the past eighty to ninety years, the United States and most Northern European Countries have been involved in a great conspiracy to obliterate the most important aspects of our countries cultures. Our heritage that was outlined for us in the past three thousand years. We discuss current results of that diminishing God given Heritage to our countries. We show through old history and scriptural references a very basic knowledge that was required to be passed on to generation after generation or we will come to our end. It shows how we have significant boundaries laid out to seriously respect. There are many symbols, signs and markers that show the way each Country's Flag is one of the most important and most ignored messages. The Flags of our countries were designed with a Heraldic Design and have distinct reasons why they are colored the way they are. This was shown in the design early in history. Once you understand the design, colors and changes of the flag, it reveals the country's history. There are only six basic colors in the color design of the entire world's flags. They are blue, red, white, green, yellow and black. You can discover why within these pages. It is human nature to follow politicians, preachers, street peddlers and whores, then suffer the consequences
